ANNUAL PROGRESSIVE REPORT
SRI SRI GANGADEVI SANCHAR BAYAK KALA
AT: SARGIGUDA, PO: SARGUL, DIST: BALANGIR (ODISHA)
FOR THE YEAR 2018-19

INTRODUCTION:-

The main trust of the voluntary organization **SRI SRI GANGADEVI SANCHAR BAYAK KALA**, in all its development programme is to make people of their socio- economic condition and to find a way with its various programme for its all round development to establish social welfare and justice through participatory efforts. The people as a member of the society will avail all privileges of the society. Planned approach for development with the active participation and involvement of the concerned people at all levels stands out as the main aims of us achieving socio economic development through various welfare activities have been the objectives.

During the period special importance was given to staff development, their training and motivation. A concentrated approach on concrete results in all our efforts resulted in yielding the designed benefits.

AREA OF OPERATION:-

The organization coverage the twenty villages of 20 G.Ps of 200 villages under Turekela block.

The main programmes of the year were as under.

- ❖ Village contact and organization.
- ❖ Awareness and youth leadership
- ❖ Women and child development
- ❖ Health and nutrition
- ❖ Control of environment pollution and plantation
- ❖ Community savings ,SHG
- ❖ Celebrating various function and day
- ❖ Renovation of compost pit
- ❖ Education and rural literacy
- ❖ Training to cultivator for agriculture production
- ❖ Legal AID and Human Right

WOMEN DEVELOPMENT:-

We have formed the 20nos of Mahila Mandal (Self Help group) at villages of Turekela block especially in enraging the women in participatory with the men and in each and every sphere of life. The awareness is created among the women. The Mahila Mandals is engaged in the women's small savings self help group, family welfare and women literacy programme.

EDUCATION:-

The women were, encouraged to participate in all the developmental activities undertaken by the Govt. for this necessity of education.

Thus the women were aware to participate in all the educational activities. Efforts were organize made through our organization **SRI SRI GANGADEVI SANCHAR BAYAK KALA** Mahila Mandals to bring the women, girl child to main stream of education through formal nonformal and literacy programmes.

CHILD DEVELOPMENT:-

HEALTH:-

The health programme for the children includes health education and health care. For this regular immunization camps were organized for all the nearby villages with the active the support from the staff of two vol, organization and medical deptt. We were able to provided sustainable health awareness education to a vast no of people of our project are through different meeting, Camps Media exposures visits and celebration etc.

CONTROLLING ENVIRONMENTAL POLLUTION:-

Environmental pollution is an emerging problem in these days. Although it is acute in big cities still it's should not be neglected in rural areas. Because it will affect the enter environment in course of time. For the purpose of controlling environment pollution we have undertaken the following programme.

AWARENESS PROGRAMME:-

The awareness programme includes organizing streets play, rally, posters and by conducting meeting. In this programmes the evils and effects of polluted environment was focused. They were convinced not to do such work, which will caused environment pollution and to take such steps to check pollution.

PLANTATION AND FOREST PROTECTION:-

For plantation we have collected seeds from the nearby forest, and after seedling planted trees. Thus we have planted 20000/- plants in 10 acres of Govt. land in Sargul G.P. Also we have taken periodically case to the plant for its better growth.

EDUCATION DEVELOPMENT:-

Education development was among the priority list of our organization. All though we have yet to received any grant from any authority for the purpose still we have been engaged for its development in several ways among them.

TOTAL LITERACY CAMPAIGN:-

We were totally directly involved in the total literacy movement of the government the organization worked actively to fulfill the objectives of the literacy campaign in the entire 10 GPO. of Turekela Block.

PANCHYAT RAJ AWARENESS:-

Awareness campaign was organized to let the people know about the. Also the people were given an idea for the value of their vote so that they will not be biased in casting their vote to in efficient candidates during election. In this programme we were organized the many camp in our project area.

SHG MANAGEMENT TRAINING:-

We organized the training programme on SHG management among the SHGs of different villages.

The main that of the training was:-

- ❖ To crate savings mentality.
- ❖ To create the relation with each others.
- ❖ To know about record keeping.
- ❖ To know about scheme to mention the relationship with Govt. and banking.
- ❖ To build the managing capacity etc.

FUTURE PLAN:-

We have a made to overcome all the difficulties with us. We have to take such pain work hard for the people. Among the future plans and programme following are the important one and we have decided to attract the attention of the appropriate authority to look in the matter.

1. Plantation and forest development
2. Awareness generation and motivation
3. Mother and child health care
4. Environment protection
5. Women development
6. Psiculture and farming
7. Consultation service to NGOs
